

Form 3: Photograph and Video Release

DRAFT FOR ATTORNEY REVIEW. NOT A FINAL FORM. NOT LEGAL ADVICE. Document ID: CL-CONSENT-03 · Version 2026.03 (draft) · Governing law: Ohio and applicable federal law Incorporates Form 00 by reference. **Where any photograph or video would appear on a public channel, this form is treated as an Elevated form and requires strong identity verification.** Never required to take part in the program.

Read this first. This form is about photographs, video, and audio of your child. Different uses carry very different privacy weight. A photo kept in an internal program archive is not the same as a photo posted publicly online, so we ask you about each separately. You never have to agree to any of it, and your child takes part fully either way.

By checking any item above, I understand that:

- CurioLab does not pay for the use of my child's likeness, and my child's participation does not imply my child endorses any product or position.
- CurioLab may crop or edit images for size and clarity, and will not alter them in a misleading way.
- For any public use, the material can be copied or re-shared by others and found by search engines, and copies already made cannot be recalled.

5. Withdrawing this permission

- ☐ I understand I may withdraw this permission at any time.

Withdrawal stops future use and causes removal of the affected material from channels CurioLab controls within a reasonable time. Already-distributed or already-copied material may persist.

My signature confirms only the items I checked above. Anything left blank is something I chose not to allow. This release is not required for my child to take part in CurioLab.
