

Form 7: Pickup and Release Authorization (In-Person Activities)

DRAFT FOR ATTORNEY REVIEW. NOT A FINAL FORM. NOT LEGAL ADVICE.

Document ID: CL-CONSENT-07 · Version 2026.03 (draft) · Governing law: Ohio and applicable federal law

Applies only when your child attends in-person activities. Incorporates Form 00 by reference.

> Read this first. For in-person sessions, we release your child only to adults you have named. This form tells us who those adults are and how we should confirm their identity. Please keep it current, especially if a custody or court order affects who may collect your child.

1. Authorized adults

Your child will be released only to the adults listed here (or to you).

| Name | Relationship | Phone |

|---|---|---|

2. Restrictions

Any person who must NOT collect my child (for example, under a custody or court order):

Court or custody documents CurioLab should have on file, if any: _____

3. How we confirm identity

& I authorize CurioLab to ask any person collecting my child for photo identification and to decline release if identity cannot be confirmed.

& I understand CurioLab will not release my child to any person who appears impaired or unauthorized, and will contact me if that occurs.

4. Late pickup

If my child is not collected by the end of a session, CurioLab should: _____

5. Changes

& I understand that changes to this authorization must be made through a verified method, and that CurioLab may decline an unverified verbal change at the door.

6. Signature

Guardian signature: _____ Relationship to child: _____ Date: _____

Annex (for CurioLab / counsel)

- Grant: `pickup\_release` (required for in-person participation; risk-control policy, not a COPPA grant).
- Verification: verified guardian signature; validate named persons at collection by the stated method.

- Renewal: annually and on any custody or court-order change.
- Retention: latest authorization plus change history and pickup logs, under incident/claims schedule.
- Prohibited: accepting contradictory verbal changes without documented verification.
