

Form 11: Age of Majority Transfer Acknowledgment

DRAFT FOR ATTORNEY REVIEW. NOT A FINAL FORM. NOT LEGAL ADVICE.

Document ID: CL-CONSENT-11 · Version 2026.03 (draft) · Governing law: Ohio and applicable federal law

Incorporates Form 00 by reference. Signed by the Student, now an adult.

> Read this first. You are turning eighteen, so decisions that your parent or guardian made for you now become yours. This form moves control of your account and your choices to you. Nothing here is required to keep taking part, but until you make these choices yourself, we pause the optional permissions your guardian had set, so that you are the one deciding.

1. What changes

- Control of your CurioLab account transfers to you.
- Your guardian's authority to consent on your behalf ends for anything collected or published from this point on.
- Permissions your guardian previously set for publication, direct messaging, and likeness are paused until you renew them in your own name.

2. Your choices now

Publication (Form 2 subjects):

& I renew permission to publish my work publicly. ☐ I decline.

Direct messaging (Form 4 subjects), if applicable to your role:

& I renew direct messaging. ☐ I decline.

Likeness (Form 3 subjects):

& I renew photograph and video use as I will specify. ☐ I decline.

Legacy content: work already published under prior consent remains subject to the earlier terms and the record of what was published; you may request removal from CurioLab-controlled surfaces going forward.

3. Emergency contact

& My former guardian may remain an emergency contact only. ☐ Remove them as a contact.

4. Acknowledgment and signature

& I understand these decisions are now mine, and my signature confirms only the choices I checked above.
